Please can you let me know that this is a case of Phoenix Activity so I can let my Lawyers in Australia get him arrested for theft of my New Zealand Registered Company Private and Public Intellectual Property Rights and legal Title Ownership Contracts, Personal Business Achievements, Knowledge Research Authority Jurisdiction.

I have all Evidence, Documents of this serious White Collar Crime for you to look over in your Australian Jurisdiction of a Property Developer Living in Te Kopu on the Mitchell Family Trust Estate Farm Mansion and grave site in Hamilton New Zealand Video I send to you ofr many properties he has in New Zealand,

I forward these pictures and video of Eddie Mitchel’s Dads Honor Hamilton Grave site on that Estate Land Holdings with Eddie Mitchell Property Developer walking on the right towards the Grave-site in the Video Clip I found online looking because he keeps his face out of the media always. You can see his face recognition as the Biggest Corporate Crime of the Century captured in the present British UK and New Zealand Crown Corporate Trading Bank and Native Land Real Estate Development World. Eddie Mitchell stole my Registered New Zealand Company “Na Atua E Wa Aotea Limited” when he told me he can register my company in “IBC” Singapore I thought was International Business Center or International Bank Corporation but found out it’s in fact called “International Babtist Church” the last place where it would go into

Then he said it will cost me NZD \$31,000 in cash to register my company there and only paid him \$5000 cash and got no receipt for the old Man Phillip Te Awhitu who gave me \$5,000 Cash to give to Eddie, but he still demanded I owe him NZD \$28,000 cash, that he would pledge the NZD \$28,000 I owe him and I got that letter he drafted up with his Barrister who he didn’t let me talk to his associate Barrister and Freemason friend before they both went on a 3 month trip to Edinburgh Scotland paid for by Eddie Mitchell; with travel accommodation to Westminster Palace talks; Corporate visits to match all my Wanoa - Manukau - Scottish Judge John Rogan British Crown Native Land Title Transfer Instruments; Legal Inheritance Claim Contract Information; as far as Eddie Mitchell is concerned was a Live Contract Document worth USD \$17 Trillion but I told him its worth more than that; More like USD \$1000 Trillion Plus for over 201 Years of Contract from 1823 to 2014. I have the right claim figure of USD \$970 million Trillion Trillion British Crown Legal Inheritance Fraud Default Debt Recovery Claim to be Settled in (Paterson 2 Bar Patented Pound Notes) Moai Crown Pound Note Values Worth;

I am recovering these Legitimate and Legal Claims through our (Pacific Native Wanoa Royal Tahitian Family Trust) and (Waikato Manukau Moriori) (Awaroa Bank) Judge Rogan Freemasons (Gentry) Awaroa Native Magistrate Court Bank Legal Authority and Admiralty Jurisdiction set up in 20 Commercial Rd Helensville

South; Inner Kaipara Harbour 10 acre Land-block Confederation of Chiefs Land; where our King William IV 1834 Flag always flew; and the Land still has Mohi Te Maati Manukau IV Name on the CT Court House Land Foreshore and Seabed Title Transfer Certificate where I base my Legal Authority and Law Jurisdiction over this Country Title Head Lease and our Native Title use over 257 Native Countries British Crown Native Titles in the World Legitimacy; Claims of the British Crown High Court of Admiralty Jurisdiction Royalties. Eddie Mitchell has no claim to our Native Manukau Moriori King William IV Memorial Land Title Law or Wanoa Native Tahitian (Queen Victoria Trust 1844) Moai Crown Statue Memorial Land Title Lore Legal Inheritance

Instruments to Claim as “Moai Crown Queen Victoria Trust” I prove I am as the Successor and Surrogate King William III 1689 War Powers Act and Municipal Corporation Act 1689 Westminster Parliamentary Sovereignty over every Corporation in the World as Surrogate King George IV and “Paramount Chief Tira Waikato Wherehere Manukau” Head Lease Contract 1823 Successor; I am and Surrogate King William IV 1834 Confederation of United Tribes Chiefs Corporate Contract Trading Bank Flag President; I hold as the Landlord Landowner of Aotea New Zealand Legal Title Lease Instrument Successor to 50 years Freemason Paramount Chief Mohi Manukau IV and his 50 years Freemason Service Member.

I am 74 years old now and am the Chief Prosecutor in our Native Kings Bench Court practicing British High Court Rules and Admiralty Court Martial Laws of Trading Bank Lien Mortgages Debt Recovery Enforcement Orders and Legal Instruments that I have Convicted Eddie Mitchell and others convicted and charged in our Native Court I will send you the links to 87 of our Extensive and Historic Websites <https://www.moaipowerhouse.world/confederation-sovereigns> and hopefully with your investigation Report for me and our Legal Authorities Debt Collectors to seize all Eddie Mitchell’s Fraud Real Estate Properties here in New Zealand and there in Australia as soon as possible resolve the matter; I have my real Estate Tickets to run the recovered Property Business in Australia, Registered as “A & E Mitchell Investments Limited” or the “Mitchell Family Trust under Dun Bradsheet Accountants Trustee for the “Mitchell Family Trust” Registered Office Unit 1 33 Crombie Avenue Bundall Queensland 4217 Australia. I now wait for you to confirm there is an amount of money in Bradsheet Accountants Office and other Government Agencies that have taken over Bradstreet Company Accountants Property that legally and legitimately belongs to me the Author of all the Written New Zealand Crown Native Land Title Transfer Instruments that Eddie used to Steal all that money I meant to get for all the Native Born people of New Zealand and the 257 Native Countries Natives mixed cultures and it would benefit Australia Native Titles Business too to the British Crown Corporation is more Klaus Schwarb Frankfurt Germany EU Parliament Crown Corporations Businesses tied up inside the New World Order NWO.

REPORT MISCONDUCT OF EDDIE MITCHELL (DIRECTOR OF) “MITCHELL FAMILY TRUST” FROM 4 ELIZABETH STREET 3200 HAMILTON NEW ZEALAND

<https://asic.gov.au/about-asic/contact-us/reporting-misconduct-to-asic/concerns-about-illegal-phoenix-activity/>

Joint and several liability

Under **joint and several liability** or *all sums*, a claimant may pursue an obligation against any one party as if they were jointly liable and it becomes the responsibility of the defendants to sort out their respective proportions of liability and payment.[3] This means that if the claimant pursues one defendant and receives payment, that defendant must then pursue the other obligors for a contribution to their share of the liability.

Joint and several liability is most relevant in **tort** claims, whereby a **plaintiff** may recover all the **damages** from any of the **defendants** regardless of their individual share of the liability. The rule is often applied in **negligence** cases, though it is sometimes invoked in other areas of law.

In the **United States**, 46 of the 50 **states** have a rule of joint and several liability, although in response to **tort reform** efforts, some have limited the applicability of the rule. About two dozen have reformed the rule, with several (Alaska, Arizona, Kansas, Utah, Vermont, Oklahoma, and Wyoming) abolishing it. In some instances it is abolished except where the defendants "act in concert".[4]

A **tort** is a **civil wrong** that causes a claimant to suffer loss or harm, resulting in **legal liability** for the person who commits the tortious act.[1] Tort law can be contrasted with **criminal law**, which deals with **criminal wrongs** that are punishable by the state. While criminal law aims to punish individuals who commit crimes, tort law aims to compensate individuals who suffer harm as a result of the actions of others.[2][a] Some wrongful acts, such as **assault** and **battery**, can result in both a civil lawsuit and a criminal prosecution in countries where the civil and criminal legal systems are separate. Tort law may also be contrasted with **contract law**, which provides civil remedies after breach of a duty that arises from a contract. Obligations in both tort and criminal law are more fundamental and are imposed regardless of whether the parties have a contract.

While tort law in **civil law jurisdictions** largely derives from **Roman law**, **common law** jurisdictions derive their tort law from customary **English tort law**. In civil law jurisdictions based on civil codes, both contractual and tortious or delictual liability is typically outlined in a civil code based on Roman Law principles. Tort law is referred to as the law of delict in **Scots** and **Roman Dutch law**, and resembles tort law in common law jurisdictions in that rules regarding civil liability are established primarily by precedent and theory rather than an exhaustive code. However, like other civil law jurisdictions, the underlying principles are drawn from Roman law. A handful of jurisdictions have codified a mixture of common and civil law jurisprudence either due to their colonial past (e.g. **Québec**, **St Lucia**, **Mauritius**) or due to influence from multiple legal traditions when their civil codes were drafted (e.g. **Mainland China**, the **Philippines**, and **Thailand**). Furthermore, Israel essentially codifies common law provisions on tort.

Overview[edit]

In common, civil, and mixed law jurisdictions alike, the main remedy available to plaintiffs under tort law is compensation in **damages**, or money. Further, in the case of a continuing tort, or even where harm is merely threatened, the courts will sometimes grant an **injunction**, such as in the English case of *Miller v Jackson*. Usually injunctions will not impose positive obligations on tortfeasors, but some jurisdictions, such as those in **Australia**, can make an order for **specific performance** to ensure that the **defendant** carries out certain legal obligations, especially in relation to nuisance matters.[4] At the same time, each legal system provides for a variety of defences for defendants in tort claims which, partially

or fully, shield defendants from liability. In a limited range of cases varying between jurisdictions, tort law will tolerate self-help as an appropriate remedy for certain torts.

One example of this is the toleration of the use of reasonable force to expel a trespasser, which is typically also a defence against the tort of battery.

In some, but not all, [civil](#) and [mixed law](#) jurisdictions, the term [delict](#) is used to refer to this category of civil wrong, though it can also refer to criminal offences. Other jurisdictions may use terms such as extra contractual responsibility (France) or civil responsibility (Québec). In [comparative law](#), the term tort is generally used.^[b] The word 'tort' was first used in a legal context in the 1580s,^[c] although different words were used for similar concepts prior to this time. A person who commits a tortious act is called a tortfeasor. Although crimes may be torts, the [cause of legal action](#) in civil torts is not necessarily the result of criminal action. A victim of harm, commonly called the [injured](#) party or [plaintiff](#), can recover their losses as [damages](#) in a [lawsuit](#). To prevail, the plaintiff in the lawsuit must generally show that the tortfeasor's actions or lack of action was the [proximate cause](#) of the harm, though the specific requirements vary between jurisdictions.

Gary Waterman is a British UK Crown Government Ex Policeman, Businessman Whistle blower

There is almost certainly a collaboration with most nations governments in this fraud to defraud and exploit the public and information suggests that Western nations are deliberately exposing their corrupt ways to make the public more accepting of a One World Order likely using a transition to the BRICS digital currency system founded by Russia, China, India and Brazil in 2009, but joined by several other nations in January 2024. BRICS is a block chain technology, which companies House research shows to be linked to those in the child trafficking and fraud research. It cannot be trusted. Now that this evidence has been exposed World wide, in my opinion, no one in power can be trusted until they publicly expose the truth of this system (as hard as they may be) and commit to measures similar to below:

- 1) There should be fully transparent taxation system at the source of payments, where the public can log on to Government bank accounts and see the collective tax contributions and referenced expenditures as to where that money is being spent. This should include the ability to view the Countries available excess funds and that should be maintained through a fluctuating taxation request system.
- 2) There should be full verification of anyone and any addresses involved in new and existing company in-corporations. The latest proposals by Companies House, since I have exposed this, do not appear to go far enough.
- 3) There should be strict legislation with severe punishment to prevent anyone in positions of authority from making decisions for their own or affiliated reasons. The people must be assured that the decisions being made, must be for the benefit of the public as a whole and the environment.
- 4) There should be a public commitment is not to move any closer to full digital currency and to ensure that there is the ability to peacefully protest against any corrupt Government policies by withholding tax contributions and still having the ability to survive by making other forms of payment in the event of a freeze of digital funds.
- 5) There should be a transparent financial system for the management of real estate to prevent leaseholders and innocent shareholders from being exploited or defrauded in relation to real estate. This should include leaseholders being able to view the collective income of service charge contributions and referenced expenditure as well as the availability of a suitably signed contract with management companies and the ability for leaseholders to obtain quotations for the services of the estate.
- 6) There should be the staged resignation of all Politicians and their advisers, legal teams, Chief of Police, Police and Crime Commissioners and heads of Government organizations who have been in a position to address this criminal system since it was identified and have not already resigned. The public will not trust them again.

- 7) The removal of the 5G network in its entirety and a commitment to never install such technology again.

- 8) Compensation must be considered for the general people who have been defrauded by this system and in particular those who have struggled the most as a result of it.

- 9) There should be a public trial for those that have been instrumental in allowing this system of fraud and its sinister activities to have continued for so long. I personally feel that, at the very least, these steps should be publicly proposed by world leaders as soon as possible to ensure that the people can feel confident that this is being suitably resolved. Once these or similar measures are implemented, further strategies can be discussed to resolve any other matters in the complete mess created by our Governments and their accomplices. Of course I do not have all of the answers, but I do know that this has all shown that nations leaders need to focus on moral integrity, in a rational state of mind, that is within most of us for a reason. They have strayed far from this and appear completely lost. It is apparent from the last two years of my involvement in this that no one within a position to create change is addressing this incredibly important evidence and therefore be willing to propose such measures.

- 10) This speaks volumes and shows they do not want to let go of the ability to exploit the victimize the people through this crime. Time is running out and it is now imperative that the people take peaceful steps to ensure that an essential transition takes place to maximize the chance of saving any decency within humanity from being consumed by corruption. I personally feel that those that have been involved in this can still be saved spiritually, but there must be truth and true repentance along with an urgent and public commitment to change. Sadly it appears they are not willing to forgo their serious transgressions and are in fact choosing to commit themselves further, to what I believe will be their eternal downfall.

Tort law is referred to as the law of delict in Scots and Roman Dutch law, and resembles tort law in common law jurisdictions in that rules regarding civil liability are established primarily by precedent. The main remedy available to plaintiffs under tort law is compensation in damages, or money. Israel essentially codifies common law provisions on tort. The plaintiff in the lawsuit must generally show the tortfeasor's actions or lack of action was the proximate cause of the harm
