- There will be no deceptive “offers” in commerce seeking to exchange gold for land or human capital under conditions of non-disclosure and deceit.
- There will be an end to this criminality and to the complacency of the Church and of the American Cardinals and Archbishops responsible for the **mis-administration of the courts.**

The Treaty of Verona is extinguished.

All Bar Association licenses are extinguished.

By order of Pope Francis, all attorneys, all clerks, every member of the judicial system operating these frauds and oppression's became 100% individually and commercially liable as of September 1, 2013.

(COUNT 2) [The Vatican created a world trust using the birth certificate to capture the value of each](#)

individual's future productive energy. Each state, province and country in the fiat monetary system, contributes their people's value to this world trust identified by the SS, SIN or EIN numbers (for example) maintained in the Vatican registry. Corporations worldwide (individuals became corporate fictions through their birth certificate) are connected to the Vatican through law (Vatican to Crown to BAR to laws to judge to people) and through money (Vatican birth accounts value to IMF to Treasury (Federal Reserve) to banks to people (loans) to judges (administration) and sheriffs (confiscation).

(COUNT 3) Judges administer the birth trust account in court matters favoring the court and the banks, acting as the presumed "beneficiary" since they have not properly advised the "true beneficiary" of their own trust.

(COUNT 4) Judges, attorneys, bankers, lawmakers, law enforcement and all public officials (servants) are now held personally liable for their confiscation of true beneficiary's homes, cars, money and assets; false imprisonment, deception, harassment, and conversion of the true beneficiary's trust funds.

The Importance of Motu Propria by Pope Francis

(COUNT 5) According to the New Advent Catholic Encyclopedia, Motu Propria in Latin stands for "of his own accord" and is the name given to an official decree by a Pope personally in his capacity and office as supreme sovereign pontiff and not in his capacity as the apostolic leader and teacher of the Universal Church. To put it more bluntly,

(COUNT 6) a Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world,

(COUNT 7) over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by

(COUNT 8) any head of state or body politic. If you are a member of the United Nations, or recognized by the United States or the United Kingdom or (COUNT 9) have a bank account anywhere on the planet, then a Motu Propria is the highest legal instrument, no question.

(COUNT 10) In the case of the Motu Propria issued by Pope Francis on July 11th 2013, it is an instrument of several functions and layers.

(COUNT 11) In the first instance, it may be legally construed to apply to the local matters of the administration of the Holy See.

(COUNT 12) In the second instance, the document relates to the fact that the Holy See is the underpinning to the whole global system of law, therefore

(COUNT 13) anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.

(COUNT 13) Thirdly, we see the Holy See and the Universal Church

(COUNT 14) clearly separating itself from the nihilist world of the professional elite who continue, to be proven time and time again, to be criminally insane, bark raving mad and with no desire to do anything honorable (COUNT 15) until they are torn from power by anyone, anybody who cares for the law.

(COUNT 16) The age of the Roman Cult, as first formed in the 11th Century and that hijacked the Catholic Church first formed by the Carolingians in the 8th Century, then the

(COUNT 17) Holly Christian Empire or Byzantine Church by the 13th Century and the world at large by the 16th Century ceased to exist around March 14th 2013 upon the election of Pope Francis.

(COUNT 18) This document issued by Pope Francis is historic on multiple levels, but most significant above all others in that it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no one is above the law.

thanks to intrigued for the link..

well..did he?

and if he did..why have we not heard more of it?

understand this:

(COUNT 19) **“the Holy See is the underpinning to the whole global system of law, therefore anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.”**

and here:

(COUNT 20) “it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no one is above the law.”

we are all under roman catholic law..and you didnt even know it..

(COUNT 21) **“Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world, over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by any head of state or body politic.”**

(COUNT 22) APOSTOLIC LETTER ISSUED MOTU PROPRIO

(COUNT 23) OF THE SUPREME PONTIFF FRANCIS

(COUNT 24) ON THE JURISDICTION OF JUDICIAL AUTHORITIES OF VATICAN CITY STATE IN CRIMINAL MATTERS

(COUNT 25) In our times, the common good is increasingly threatened by transnational organized crime, the improper use of the markets and of the economy, as well as by terrorism.

(COUNT 26) It is therefore necessary for the international community to adopt adequate legal instruments to prevent and counter criminal activities, by promoting international judicial cooperation on criminal matters.

(COUNT 27) In ratifying numerous international conventions in these areas, and acting also on behalf of Vatican City State, the Holy See has constantly maintained that such agreements are effective means to prevent criminal activities that threaten human dignity, the common good and peace.

(COUNT 28) With a view to renewing the Apostolic See's commitment to cooperate to these ends, by means of this Apostolic Letter issued Motu Proprio, I establish that:

(COUNT 29) 1. **The competent Judicial Authorities of Vatican City State shall also exercise penal jurisdiction over:**

(COUNT 30) a) **crimes committed against the security, the fundamental interests or the patrimony of the Holy See;**

b) crimes referred to:

(COUNT 31) - in Vatican City State Law No. VIII, of 11 July 2013, containing Supplementary Norms on Criminal Law Matters;

(COUNT 32) - **in Vatican City State Law No. IX, of 11 July 2013, containing Amendments to the Criminal Code and the Criminal Procedure Code;**

when such crimes are committed by the persons referred to in paragraph 3 below, in the exercise of their functions;

(COUNT 33) c) any other crime whose prosecution is required by an international agreement ratified by the Holy See, if the perpetrator is physically present in the territory of Vatican City State and has not been extradited.

(COUNT 34) 2. The crimes referred to in paragraph 1 are to be judged pursuant to the criminal law in force in Vatican City State at the time of their commission, without prejudice to the general principles of the legal system on the temporal application of criminal laws.

(COUNT 35) 3. For the purposes of Vatican criminal law, the following persons are deemed "public officials":

(COUNT 36) a) members, officials and personnel of the various organs of the Roman Curia and of the

Institutions connected to it.

(COUNT 37) b) papal legates and diplomatic personnel of the Holy See

(COUNT 38) c) **those persons who serve as representatives, managers or directors, as well as persons who even de facto manage or exercise control over the entities directly dependent on the Holy See and listed in the registry of canonical juridical persons kept by the Governorate of Vatican City State;**

(COUNT 39) d) any other person holding an administrative or judicial mandate in the Holy See, permanent or temporary, paid or unpaid, irrespective of that person's seniority.

(COUNT 40) 4. The jurisdiction referred to in paragraph 1 comprises also the administrative liability of juridical persons arising from crimes, as regulated by Vatican City State laws.

(COUNT 41) 5. **When the same matters are prosecuted in other States, the provisions in force in Vatican City State on concurrent jurisdiction shall apply.**

(COUNT 42) 6. The content of article 23 of Law No. CXIX of 21 November 1987, which approves the Judicial Order of Vatican City State remains in force.

(COUNT 43) This I decide and establish, anything to the contrary notwithstanding.

(COUNT 44) I establish that this Apostolic Letter issued Motu Proprio will be promulgated by its publication in L'Osservatore Romano, entering into force on 1 September 2013.

(COUNT 45) Given in Rome, at the Apostolic Palace, on 11 July 2013, the first of my Pontificate

(COUNT 48) APOSTOLIC LETTER [Annotated]

(COUNT 49) ISSUED MOTU PROPRIO [on his own impulse]

(COUNT 50) OF THE SUPREME PONTIFF FRANCIS ON THE JURISDICTION OF JUDICIAL AUTHORITIES OF VATICAN CITY STATE IN CRIMINAL MATTERS

(COUNT 51) In our times, the common good is increasingly threatened by transnational organized crime, the improper use of the markets and of the economy, as well as by terrorism.

(COUNT 52) It is therefore necessary for the international community to adopt adequate legal instruments to prevent and counter criminal activities, by promoting international judicial cooperation on criminal matters.

(COUNT 54) With a view to renewing the Apostolic See's commitment to cooperate to these ends, by means of this Apostolic Letter issued Motu Proprio, I establish that:

(COUNT 57) b) crimes referred to:

(COUNT 58) - in Vatican City State Law No. VIII, of 11 July 2013, containing Supplementary Norms on Criminal Law Matters;

(COUNT 59) - in Vatican City State Law No. IX, of 11 July 2013, containing Amendments to the Criminal Code and the Criminal Procedure Code;

(COUNT 60) when such crimes are committed by the persons referred to in paragraph 3 below, in the exercise of their functions;

(COUNT 61) c) any other crime whose prosecution is required by an international agreement ratified by the Holy See, if the perpetrator is physically present in the territory of Vatican City State and has not been extradited.

(COUNT 62) 2. The crimes referred to in paragraph 1 are to be judged pursuant to the criminal law in force in Vatican City State at the time of their commission, without prejudice to the general principles of the legal system on the temporal application of criminal laws.

(COUNT 63) 3. For the purposes of Vatican criminal law, the following persons are deemed "public officials": [former "private officials" exempt from law are now within the laws dictates and are held liable, aka "public servants"]

(COUNT 64) a) **members, officials and personnel of the various organs of the Roman Curia and of the Institutions connected to it. [world-wide corporations and all individuals in trust are corporations pursuant to their birth certificate]**

(COUNT 65) b) papal legates and diplomatic personnel of the Holy See [The Pope governs the

Church/people/trust, all the people in the Birth Trust, through the Roman Curia, the governing body of the Vatican]

(COUNT 66) c) those persons who serve as representatives, managers or directors, as well as persons who even de facto manage or exercise control over the entities [public servants] directly dependent on the Holy See [trust beneficiaries] and listed in the registry [through birth certificates] of canonical juridical persons [legal fiction represented by your birth certificate ALL CAPS NAME] kept by the Governorate of Vatican City State;

(COUNT 67) d) any other person holding an administrative or judicial mandate in the Holy See, permanent or temporary, paid or unpaid, irrespective of that person's seniority. [all public servants]

(COUNT 68) 4. The jurisdiction referred to in paragraph 1 comprises also the administrative liability of juridical persons arising from crimes, as regulated by Vatican City State laws. [public servants are now liable for crimes against humanity]

(COUNT 69) 5. When the same matters are prosecuted in other States, the provisions in force in Vatican City State on concurrent jurisdiction shall apply.

(COUNT 70) 6. The content of article 23 of Law No. CXIX of 21 November 1987, which approves the Judicial Order of Vatican City State remains in force.

(COUNT 71) This I decide and establish anything to the contrary notwithstanding.

(COUNT 72) I establish that this Apostolic Letter issued Motu Proprio [on his own impulse] will be promulgated by its publication in L'Osservatore Romano, entering into force on 1 September 2013.

(COUNT 73) Given in Rome, at the Apostolic Palace, on 11 July 2013, the first of my Pontificate

(COUNT 74) [Synopsis: Church = People = Trust

(COUNT 75) The Vatican created a world trust using the birth certificate to capture the value of each individual's future productive energy. Each state, province and country in the fiat monetary system, contributes their people's value to this world trust identified by the SS, SIN or EIN numbers (for example) maintained in the Vatican registry. Corporations worldwide (individuals became corporate fictions through their birth certificate) are connected to the Vatican through law (Vatican to Crown to BAR to laws to judge to people) and through money (Vatican birth accounts value to IMF to Treasury (Federal Reserve) to banks to people (loans) to judges

(COUNT 76) (administration) and sheriffs (confiscation).

(COUNT 77) Judges administer the birth trust account in court matters favoring the court and the (COUNT 65) banks, acting as the presumed "beneficiary" since they have not properly advised the "true beneficiary" of their own trust.

(COUNT 78) Judges, attorneys, bankers, lawmakers, law enforcement and all public officials (servants) are now held personally liable for their confiscation of true beneficiary's homes, cars, money and assets; false imprisonment, deception, harassment, and conversion of the true beneficiary's trust funds.]

Importance of Motu Proprio

(COUNT 79) The Importance of Motu Propria by Pope Francis

(COUNT 80) According to the New Advent Catholic Encyclopedia, Motu Propria in Latin stands for “of his own accord” and is the name given to an official decree by a Pope personally in his capacity and office as supreme sovereign pontiff and not in his capacity as the apostolic leader and teacher of the Universal Church. To put it more bluntly,

(COUNT 81) a Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world, over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by any head of state or body politic.

(COUNT 82) If you are a member of the United Nations, or recognized by the United States or the United Kingdom or have a bank account anywhere on the planet, then a Motu Propria is the highest legal instrument, no question.

(COUNT 83) In the case of the Motu Propria issued by Pope Francis on July 11th 2013, it is an instrument of several functions and layers.

(COUNT 84) In the first instance, it may be legally construed to apply to the local matters of the administration of the Holy See.

(COUNT 85) In the second instance, the document relates to the fact that the Holy See is the underpinning to the whole global system of law, therefore anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.

(COUNT 86) Thirdly, we see the Holy See and the Universal Church clearly separating itself from the nihilist world of the professional elite who continue, to be proven time and time again, to be criminally insane, bark raving mad and with no desire to do anything honorable (COUNT 87) until they are torn from power by anyone, anybody who cares for the law.

(COUNT 88) The age of the Roman Cult, as first formed in the 11th Century and that hijacked the Catholic Church first formed by the Carolingians in the 8th Century, then the Holly Christian Empire or Byzantine Church by the 13th Century and the world at large by the 16th Century

(COUNT 89) ceased to exist around March 14th 2013 upon the election of Pope Francis.

(COUNT 90) This document issued by Pope Francis is historic on multiple levels, but most significant above all others in that it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no

one is above the law.

He Whakaputanga o te Rangatiratanga o Nu Tirene: the Declaration of Independence of the United Tribes of New Zealand

In 1831, 13 Ngāpuhi chiefs wrote to King William IV of the United Kingdom to seek an alliance and protection from other powers. On 28 October 1835 James Busby took this a step further at a hui (meeting) he had called at Waitangi. By the end of the day 34 rangatira had signed He Whakaputanga o te Rangatiratanga o Nu Tireni (known in English as the Declaration of Independence of the United Tribes of New

He Whakaputanga - Declaration of Independence, 1835

Maori word inserted here in 1831 NZ Government Illegal Altered to change the whole Legal UK Law Original British Document Words

In 1835 on October 28, 34 Northern chiefs gathered at Waitangi at the home of James Busby, British Resident. They made their mark on history as they signed He Whakaputanga o te Rangatiratanga o Nu Tiri (Declaration of Independence of the United Tribes of New Zealand). Recognised by King William IV, it declared New Zealand's independence as a sovereign nation under the Māori chiefs. Signatures continued to be added until 1839, by which time it had 52 signatories. These included the signature of Te Wherowhero, the chief of Waikato who would later become the first Māori king.

The signatories were concerned about the intentions of the growing number of Europeans. British and Māori were both concerned about France competing for influence and the news of French warships sailing to New Zealand. As a significant mark of Māori national identity, it would prevent other countries from making formal deals with Māori.

What was the significance of He Whakaputanga to the Treaty Of Waitangi? Because of it, the British felt that the Treaty of Waitangi was required to bring law and order as more and more settlers, mainly British, arrived. In the Declaration, the chiefs had agreed that in return for their protection of British subjects in their territory, King William would protect them against threats to their authority. Britain felt the Treaty would protect Māori as foreign interests continued to arrive, with the United States and France competing for influence in New Zealand, as well as private French and British companies planning settlements. It would also cement the special relationship between Māori and British built up over decades of personal, political and economic ties between the two peoples.

PAKEHA IMMIGRANT CROWN AGENTS WROTE THIS "MAORI" INVENTED WORD ALTERED THE ORIGINAL BRITISH WORD "NATIVE" AS "MAORI" IN 1831 IS FALSE IN THIS KINGS COURT LAW

The 13 Chiefs of 1831 WHY THE 13 CHIEFS WROTE TO HIS MAJESTY THE KING IN 1831 "We are a people without possessions. It is only thy land, which is liberal towards us". In October 1771, Marion du Fresne set out from France to explore the South Pacific with two ships, the Mascarin and the Marquis de Castries, a 16-gun war ship. After leaving Tasmania, he sighted Mount Egmont/Taranaki on the **25 March 1772**. While trying to locate fresh water he found the natives were hostile and with a storm approaching, decided to travel North to the Bay of Islands. In an **encounter with the natives**, one of his crew was pieced in the leg by a spear. He landed at Kororareka (now Russell) in the Bay of Islands and became friendly with the Ngare Raumati tribe. Here he stayed for five weeks repairing his ships, gathering spars and trading with the natives. All went well until du Fresne broke tapu by fishing in a bay that a group of Ngare Raumati had been drowned a few years earlier. While he was warned of the tapu, he took no notice and the natives killed him and his party of 24. As the ships had not been fully repaired and there were still spars to be collected, a party went ashore and drove off the tribe, killing 250 of them in the process and torching their village. A few years later Ngare Raumati was overrun by Napuhi and no longer exists. In 1831, it was rumoured that the French naval vessel La Favourite intended to annex New Zealand to France in retaliation for the killings of Marion du Fresne and 24 of his crew. The natives decided to place a British flag on the mission flagstaff, reasoning if the French torn it down, the Missionaries would appeal to Britain for protection. There was also a threat from a Baron du Theiry to declare French Sovereignty over New Zealand. He had purchased a large

area of land at Hokianga and it was rumoured he had summonsed a French war ship to enforce his sovereignty as well as body guards of Tahitian trained natives to sustain it. The French government had also expressed interest to appoint du Theiry to the Office of French Consul to New Zealand. It also became known, Ngati Toa of Kapiti had conspired with the Captain of the Elizabeth to raid and kill members of Ngai Tahu tribe of the South Island. They avoided punishment due to the uncertainties regarding British subjects in New Zealand. Northern **Maoris** were disturbed by the alliance of the Maoris and the British forces, fearing it could set a precedence for the now armed southern tribes Ngapuhi had slaughtered over the last ten years, killing an estimated 60,000 of their fellow country men for the fun of it and an easy meal. After this, 13 powerful northern chiefs sent a letter to the King in Britain asking him to become their friend and protector of these islands. A letter from **13 Maori Ngapuhi chiefs** asking King William for protection in 1831 New Zealand (Enclosure 2 in No.1.) From William Yate, Esq, to the Colonial Secretary, New South Wales, Waimate, New Zealand. **November 16, 1831**

Sir, I have the honour to forward to you, by His Majesties Ship, "Zebra" the enclosed New Zealand document, with its translation, and to request that you will lay it before the Governor for his information. I have further to request that it be transmitted through His Excellency to the Secretary of State, in order to it being laid before His Majesty. I have, &c, (Signed) William Yate.

(Enclosure 3 in NO.1) To King William, The Gracious Chief of England. King William To King William, the gracious Chief of England. King William, we, the chiefs of New Zealand assembled at this place, called the Kerikeri, write to thee, for we hear that thou art the great chief of the other side of the water, since the many ships which come to our land are from thee. We are a people without possessions. We have nothing but timber, flax, pork and potatoes. We sell these things however to your people; then we see property of the Europeans. It is only thy land, which is liberal towards us. From thee also come the missionaries who teach us to believe on Jehovah God and on Jesus Christ His Son. We have heard that the tribe of Marian [the French] is at hand, coming to take away our land. Therefore we pray thee to become our friend and the guardian of these islands, lest the teasing of other tribes should come near us, and lest strangers should come and take away our land. And if any of thy people should be troublesome and vicious towards us we pray thee to be angry with them that they may be obedient, lest the anger of the people of this land fall upon them.

This is a very interesting letter for the following reasons, 1. Maori admit they had no possessions, "We are a people without possessions". It must be remembered this letter was from some of the most powerful and influential northern (Ngapuhi) chiefs at the time. 2. They admit, Britain was the only land liberal towards them, "It is only thy land, which is liberal towards us", therefore asked Britain for protection. 3. They were afraid the French would take away their land, "We have heard that the tribe of Marian [the French] is at hand, coming to take away our land". 4. They were also afraid the southern tribes, now that they were armed, would come and slaughter them for utu – revenge and take away their land. "Therefore we pray thee to become our friend and the guardian of these islands, lest the teasing of other tribes should come near us, and lest strangers should come and take away our land. Four years later, the 1835 Declaration of Independence was signed, but was abandoned without one meeting taking place due to the inter-tribal fighting and tension, therefore was never ratified.

Constitution Act 1852

THE NEW ZEALAND CONSTITUTION ACT.

ENGLISH VERSION.

"THE NEW ZEALAND CONSTITUTION ACT, 1852."—
16 and 18 VICTORIA, CAP. 72, SEC. 71.

Her Majesty may cause Laws of Aboriginal Native Inhabitants to be maintained.

Passed 30th of June, 1852.

SECTION 71.—And Whereas it may be expedient that the Laws, Customs, and Usages of the Aboriginal or Native Inhabitants of New Zealand, so far as they are not repugnant to the general principles of Humanity, should for the present be maintained for the Government of themselves, in all their relations to and dealings with each other, and that particular districts should be set apart within which Laws, Customs, or Usages should be so observed. It should be lawful for Her Majesty, by any Letters Patent to be issued under the Great Seal of the United Kingdom from time to time to make Provisions for the purposes aforesaid, any repugnancy of any such Native's Laws, Customs, or Usages, to the Law of England or to in any part thereof, in any wise notwithstanding.

'An Act to grant a representative constitution to the colony of New Zealand' was passed by the British Parliament in 1852. The act set up six provinces to be governed by elected councils. Section 7 stated that eligible voters were males aged 21 or over who owned freehold land worth at least £50, or leased land for £10 or more a year. This act therefore did not exclude Māori males from voting, and some Māori voted in the first elections held after it was passed. However, Māori traditionally owned land on a tribal basis, and only a small minority owned or leased freehold land in the 1850s. Therefore, non-Māori voters far outnumbered Māori.

This extract from the act was published in several successive issues of the *Taranaki Herald* from 8 December 1852. Section 71 was never implemented.
