The following is a simple template of direction of events. Date selected is for working purpose only at this stage. Due the nature of time restraints on this first event we may have to move to suit the situation. However, there are options being developed.

Purpose: To setup an annual three-day hui /AGM meeting of the descendants of the 13 Chiefs (the original signatories at the 1834 Kororareka Maiki Hill Signatories) of the Kara known as the Confederation of Chiefs United Tribes signed at Kororareka (Russell), Okiato (Bay of Islands) Declaration of Independence Maiki Hill, H.M.S. Alligator.

To create a safe forum that allows opportunity for individuals to present:

1. Evidence of their Native Title Claim and annually thereafter for the preservation of history.
2. The public to present their case and evidence in their own right, to be tabled and evidenced and date/stamp archived.

The proposed dates:

Future Plan

At this stage I am open to suggestions as to the whole protocol, and how best to get value throughout the event. The concept is to develop this event over time, including a festive

approach to Kororareka village and its entire history. There are so many avenues open here. I require a steering committee of sorts to really make the most of the monuments available to me. As my ancestor has its part, it is most certainly not the only one. I would, if for nothing else, leave this legacy for others to pick up. The ambition of my audaciousness is to claim these in this time:

Tāmāti Wāka
Nene

Tiraha Papa
Harakeke

Capt. William
Cook

Patuone Eruera
Maihi

Muriwai Nene

As a descendant of Papa Harakeke Known Paramount of Te Tai Tokerau and the Whangai of Lord Admiral Tāmāti Wāka Nene / *Thomas Walker*.

Marriages of Capt. William Cook to Tiraha Papa Harakeke (*Hohaiea*) Cook entomb with-in the Parish of Christ Church Russell.

Exalted by Patuone (Eruera, *Edward*) Maihi Waka Nene, Takapuna Memorial and Mt Victoria, North Head Devonport memorial, New Zealand.

Witnessed by Muriwai Nene Brother to both and carried by my grandfather, Henry Muriwai Cook memorial, Pegasus Bay, Stewart Island, New Zealand. Husband and Seal by my Grandmother Memphis Cleo Cook (*Jones*)

Title Memorial Town Hall, Kororareka and first Parliament Okiato lands (Russell), Bay of Islands

WWI obelisk town square Awaroa Kororareka (Russell)

Nene Park and all his monuments, paintings and photographs, treasure, relics and belongings about New Zealand and the world

Whangamumu Estate

Titles complete.

I seek forth support in this project: To proclaim through ceremony the 13 Chiefs to ascend on this time, and to stand up lawfully the Authority of the King in waiting. To bring this Title to life and observe its "Mana" (Truth) given by the ones that came before. To consolidate and progress into the future, in accepted unity.

"Long live the Confederation; God Save The King!"
