WRIT OF EXECUTION, DEMOLITION, ARREST AND POSSESSION ORDER

For resolution in this urgent Motion for issuance of

WRIT OF EXECUTION, POSSESSION AND DEMOLITION ORDER, filed by

The Claimant (Legal Owners), Mr. John Hoani Kahaki Wanova, a Judicial Appointed Administrator of the Manukau, Wanova, Rogan, Cosgrove, and Moai Crown King William IV Trust Estates, do enforce the herein beneficiaries and the Plaintiffs Claimants constitutional rights embodied on Monday 25<sup>th</sup> November 2019 Judgment with Agreement Clarification Order in their favor, which are now the subject matter of said Motion in order to exercise the true essence of justice, as they pleaded so long since 12 December 2008 for a period of 11 years court ready affidavits proof of claim against these corporate fraud individuals named herein.

The Motion, Alleging the necessity to take their most imperative lawful Rights over the estate that they had gained by virtue of Land Registration Land Transfer Act 1952 and Cadastral Act, to preserve their interest and correspondingly enforced what was mandated in the said judgment with this Non- Compromised Agreement dated Clarification Order for the legitimate land beneficiaries claimants plaintiffs embodied there-at so as not to render inutile (Unprofitable or useless) with adverse effect against the Wanova - Manukau Moai Crown King William IV Heirs

if such judgment have not been enforced within any regulatory or limitation-less period, under an un-rebutted private defaulted contract herein described fully.

In meeting and resolving the same, the Moai Crown High Court shall help and not deny said Plaintiff Claimants Motion. As we have had repeatedly put into emphasis that judgment without enforcement thereof is not fatal to the deserving litigant and claimant creditors eventually to this civilized society of ours, to uphold the law of truth, fact cited evidence unchallenged and ignored, means surrender the land back.

Again, similarly, a sea without a shore and a ship without a port are hazardous circumstances to our society while to keep ourselves living with nobility under the horizon of blue sky is much more convenient even of lesser bounty wealth rather than to stay in the mountain of gold but the consideration of which our lives shall never be to compromise with the Devil-Dom.

Laying the factual basis is for granting the Motion in the findings of the Moai Crown Kings Bench Court emanated in a first judgment pronouncement issued on November 25<sup>th</sup>, 2019 in favor of Mr. John Hoani Kahaki Wanoa. Who exposed the grand designed Motion for Reconsideration over a Land Tiles of Marangairoa C11, C12, C13, C14, C15, C16 Landblocks of Te Tairawhiti Region New Zealand Forfeited, Seized as a consequence, being a fraudulent land transaction embracing Moai Crown Paramount Chiefs Surrogate King John H. K Wanoa Documents filed.

That on that Motion, the Paramount Chiefs have a burden of proof against the proprietors of the land Rarawa Kohere and Rei Kohere who are not the legitimate Native Bloodline heirs of the original Hohepa Wanoa, Wi Wanoa, Matauru Wanoa, Ben Wanoa, Hoani Kahaki Wanoa and Hongi Hika 1823 King George IV British Head Lease Land Title Deeds Contract that we refer to that are omitted in the LINZ Land Information Land Transfer Certificates of these land blocks herein stated in East Cape must now return back to the Manukau - Rogan British Land Title Transfer Auckland and Wanoa-Rogan (Freemason) Land Transfer Title East Cape Lands un-refuted proof of claim Title.

That said late Mohi Te Maati Manukau IV (Freemason 50 years) have no legal commercial surviving heirs except John Wanoa, so the subject of land necessarily be reverted to the Moai Crown E State A-I Federal Government Republic of Dutch Nu Zeeland people; 1834 Flag of (New Zealand) and its legal and legitimate Inheritance successor John Hoani Kahaki Wanoa Moai Crown King William IV Trust, formally Queen Victoria Trust 1844 and Na Atua E Wa Aotea Ltd Creditors.

But, obviously, none of those named above that the Hon. Solicitor General has yet succeeded to prove his own allegations by Rebuttal evidences against our affidavits proof claims not even a single piece of evidence. Rather, they are trapped in their grand design, preserved for their Elitist Corporate Private Interest of the influential few, when, these defendants regarding this claim over these Native Land Estates in Auckland City and East Cape remain silent; is an admission of guilt; documents which were found Authenticated particularly: the owner's existing salvaged records relative thereto. That said documents were found in the possession of John Wanoa, Archive 1852 British Constitution committed by those with vested interest to land grab the lands (Map of the Nu Zealand before or after the 1846 British New Zealand Constitution) and British 1852 NZ Constitution we draw evidence from.

These virtual evil attempts had been done through demoralizing the validity of the 1840 Treaty of Waitangi no end date contract Fraud Agreement; destroying its authenticity; but with the main objective paramount to anyone else to land grab the land buy cheap sell high under the New Zealand Crown Governments hectares of land foreshore and seabed Prime Lots within the economic zone and the metropolis;

And other prime lots in the country and the whole country, the extreme possibility by those oligarch-land grabbers-real estate developers, which are under sustenance of the national government, through Decrees, Executive Orders, Letter of Instruction and Proclamations beyond which would be the heavier hammer to the head of the entire New Zealand Citizens happening now under the issue of false sovereignty, monarchy, crown in spite of the fact that no other true Title had been issued for the entire country as yet we have that motion we clearly state herein to seize back land to the sovereign born native people of New Zealand and Pacific Islands.

This Honorable Moai Crown Kings Bench Court has commanded at this point in time the Auckland Native Magistrate Court Sheriff, John Wanoa and Moai Crown takes this Order on February 25<sup>th</sup>, 2019 enforce this Property Seizure Arrest Warrant Defaulted Private Contract Agreement to recover, take in physical possession of 77 Cook Street land Property and business assets entirely to defray the cost of a bad land title deed and land transfer bank instruments conveyancing Fraud Corrupted LINZ; Maori Land; European Land; Crown Land; Land Transfer Documents Bank Land Transfer Conveyancing Instruments to "Moai Crown King William IV Trust" ; Na Atua E Wa Aotea Limited" "Moai Royal Tahitian Pacific Bank" Creditors seized upon through lack of performance and Absolute Silence.
