10 March at 01:45pm We are calling for Sir Mark Rowley commissioner of the Metropolitan police to reopen and fully investigate crime number 6029679/21 - the biggest crime perpetrated against the British people. We will not be ignored or silenced until the police do the job we pay them to do. The police were informed of all of the evidence that is now being revealed in Matt Hancocks WhatsApp messages and did nothing.

In todays Telegraph, they are calling for the arrest of Matt Hancock <https://www.telegraph.co.uk/.../matt-hancock-should.../>

But the crimes listed are nothing compared to what has really been perpetrated against the people of the UK.

For more info <https://www.ukcitizen.org/criminal-investigation/>

Please share this information on social media whilst this is trending - we need the whole TRUTH to come out NOW!

MARK SEXTON EX POLICE CONSTABLE and a Team of International Doctors and Lawyers

Mass invasion of a country is an act of war. A government failing to protect a country is an act of treason.

10 March at 01:45 ·

We are calling for Sir Mark Rowley commissioner of the Metropolitan police to reopen and fully investigate crime number 6029679/21 - the biggest crime perpetrated against the British people. We will not be ignored or silenced until the police do the job we pay them to do. The police were informed of all of the evidence that is now being revealed in Matt Hancocks WhatsApp messages and did nothing.

In todays Telegraph, they are calling for the arrest of Matt Hancock
