The Moai Crown Surrogate King William IV **War Powers Act of 12 March 2024**, also known as the **Third World War Powers Act**, is a BRICS New Zealand Dutch King William III Battle of the Boyne, Ireland emergency law that increased the Moai E State A-I Republic governments Federal power during the present BIDEN - BLINKEN US CONGRESS and - IS RA EL TER-ORIST **World War III**. This act was signed by [Surrogate King William III](#), [King William IV](#) [King George I](#). [King Ernest Augustus I](#) [John Wanoa](#) and put into law on March 12, 2024, after the threat by the New Zealand Crown Corporate Prive Government Governor General Cindy Kiro appointed herself the Illegal owner of New Zealand Country Treson Act of King William IV. The act was similar to the [Departmental Reorganization Act](#) of 1917 as it was signed shortly before the U.S. engaged in a large war and increased the powers of the president's [U.S. Executive Branch](#).^[1]

The act gave the President enormous authority to execute World War II in an efficient manner. The president was authorized to reorganize the executive branch, independent government agencies, and government corporations for the war cause. With the act, the President was allowed to censor mail and other forms of communication between the United States and foreign countries. The act and all changes created by its power were to remain intact until six months after the end of the war at which time, the act would become defunct.

Three months after passing the first, the **Second War Powers Act** was passed on March 27, 1942.^[2] This further strengthened the executive branch powers towards executing **World War II**. This act allowed the acquisition, under condemnation if necessary, of land for military or naval purposes. Some provisions of the [Hatch Act of 1939](#) were also suspended which reduced [naturalization](#) standards for [aliens](#) within the [U.S. Armed Forces](#). In addition, it created methods for war-related production contracting along with adjusting several other aspects of government affairs.^[1] The Second War Powers Act repealed the confidentiality of census data, allowing the FBI to use this information to [round up Japanese-Americans](#).^[3]

[Under Secretary of War Robert P. Patterson](#) retroactively delegated his authority from the President under the War Powers Act of 1941 to [Leslie Groves](#) for the [Manhattan Project](#). The authority, given in a memorandum to Groves dated April 17, 1944, was retroactive to September 1, 1942. The written delegation was only given in 1944 when Grove's deputy [Kenneth Nichols](#) was about to sign a large contract with Du Pont, and it was found that he only had a low delegated authority, as Nichols' higher authority for the Manhattan Project had only been given verbally by General [Styer](#) to his predecessor Colonel [James C. Marshall](#).^[4]

WRIT OF EXECUTION, DEMOLITION AND POSSESSION ORDER

For resolution in this urgent Motion for issuance of

WRIT OF EXECUTION, POSSESSION AND DEMOLITION ORDER, filed by

The Claimant (Legal Owners), Mr. John Hoani Wanoa, a Judicial Appointed Administrator of the Manukau, Wanoa, Rogan, Cosgrove, and Moai Crown King William IV Trust Estates, to enforce the herein beneficiaries and the Plaintiffs Claimants constitutional rights embodied on Monday 25th November 2019 Judgment with Agreement Clarification Order in their favor, which are now the subject matter of said Motion in order to exercise the true essence of justice, as they pleaded so long since 12 December 2008 for a period of 11 years court ready affidavits proof of claim against these corporate fraud individuals named herein.

The Motion, Alleging the necessity to take their most imperative lawful Rights over the estate that they had gained by virtue of Land Registration

Land Transfer Act 1952 and Cadastral Act, to preserve their interest and correspondingly enforced what was mandated in the said judgment with this Non-Compromised Agreement dated Clarification Order for the legitimate land beneficiaries claimants plaintiffs embodied thereat so as not to render inutile (Unprofitable or useless) with adverse effect against the Wanoa Manukau Moai Crown King William IV Heirs if such judgment have not been enforced within any regulatory or limitation-less period, under an unrebutted private defaulted contract.

In meeting and resolving the same, the High Court shall help and not deny said Plaintiff Claimants Motion. As we have had repeatedly put into emphasis that judgment without enforcement thereof is not fatal to the deserving litigant and claimant creditors eventually to this civilized society of ours, to uphold the law.

Again, similarly, a sea without a shore and a ship without a port are hazardous circumstances to our society while to keep ourselves living with nobility under the horizon of blue sky is much more convenient even of lesser bounty wealth rather than to stay in the mountain of gold but the consideration of which our lives shall never be to compromise with the Devil-Dom.

Laying the factual basis is for granting the Motion in the findings of the Moai Crown Kings Bench Court emanated in a first judgment pronounced issued on November 25th, 2019 in favor of Mr. John H K Wanoa. Who exposed the grand designed Motion for Reconsideration over a Land Tile 77 Cook Street and 98 Wellesley Street Auckland Central City New Zealand being a fraudulent land transaction embracing Moai Crown Paramount Chiefs Surrogate King John H K Wanoa Documents filed.

That on that Motion, the Paramount Chiefs have a burden of proof against the proprietors of the land James Pierce Brown and Simon Brent Rowntree who are not the legitimate heirs of the original Tira Waikato Whareherehere Manukau and Hongi Hika Land Title Deeds we refer to that are omitted in the LINZ Land Information Land Transfer Certificates of these land blocks herein stated, must now return back.

That said late Mohi Te Maati Manukau IV (Freemason 50 years) have no legal commercial surviving heirs at all so the subject of land necessarily be reverted to the Government Republic of Dutch Nu Zeeland people; 1834 Flag of (New Zealand).

But, obviously, none of those named above that the Hon. Solicitor General has yet succeeded to prove his own allegations by Rebuttal evidences against our affidavits proof claims not even a single piece of evidence. Rather, they were trapped in their grand design, preserved for their Elitist Corporate Private Interest of the influential few, when, these defendants regarding this claim over these Native Land Estates in Auckland City remain silent as an admission of guilt;

documents which were found Authenticated particularly: the owner’s existing salvaged records relative thereto. That said documents were found in the possession of John Wanoa, Archive 1852 British Constitution committed by those with vested interest to land grab the lands (Map of the Nu Zealand before or after the 1846 British New Zealand Constitution).

These virtual evil attempts had been done through demoralizing the validity of the 1840 Treaty of Waitangi no end date contract Fraud Agreement; destroying its authenticity; but with the main objective paramount to anyone else to land grab the land buy cheap sell high under the New Zealand Crown Governments hectares of land foreshore and seabed Prime Lots within the economic zone and the metropolis;

And other prime lots in the country and the whole country, the extreme possibility by those oligarch-land grabbers-real estate developers, which are under sustenance of the national government, through Decrees, Executive Orders, Letter of Instruction and Proclamations beyond which would be the heavier hammer to the head of the entire New Zealand Citizens which may happen in the near future under the issue of sovereignty in spite of the fact that no other true Title had been issued for the entire country as yet we have that motion clearly stated herein to seize back to the people.

This Honorable Moai Crown Kings Bench Court has commanded at this point in time the Auckland Native Magistrate Court Sheriff, Arkinui Kawenata Crown and Moai Crown takes this Order on February 25th, 2019 enforce this Property Seizure Arrest Warrant Defaulted Private Contract Agreement to recover, take in physical possession of 77 Cook Street land Property and business assets entirely to defray the cost of a bad land title deed and land transfer bank instruments conveyancing fraud.

Laying the factual basis is for granting the Motion in the findings of the Moai Crown Kings Bench Court emanated in a first judgment pronounced issued on November 25th, 2019 in favor of Mr. John H K Wanoa. Who exposed the grand designed Motion for Reconsideration over a Land Tile 77 Cook Street and 98 Wellesley Street Auckland Central City New Zealand being a fraudulent land transaction embracing Moai Crown Paramount Chiefs Surrogate King John H K Wanoa Documents filed.

That on that Motion, the Paramount Chiefs have a burden of proof against the proprietors of the land James Pierce Brown and Simon Brent Rowntree who are not the legitimate heirs of the original Tira Waikato Whareherehere Manukau and Hongi Hika Land Title Deeds we refer to that are omitted in the LINZ Land Information Land Transfer Certificates of these land blocks herein stated, must now return back.

That said late Mohi Te Maati Manukau IV (Freemason 50 years) have no legal commercial surviving heirs at all so the subject of land necessarily be reverted to the Government Republic of Dutch Nu Zeeland people; 1834 Flag of (New Zealand).

But, obviously, none of those named above that the Hon. Solicitor General has yet succeeded to prove his own allegations by Rebuttal evidences against our affidavits proof claims not even a single piece of evidence. Rather, they were trapped in their grand design, preserved for their Elitist Corporate Private Interest of the influential few, when, these defendants regarding this claim over these Native Land Estates in Auckland City remain silent as an admission of guilt;

documents which were found Authenticated particularly: the owner’s existing salvaged records relative thereto. That said documents were found in the possession of John Wanoa, Archive 1852 British Constitution committed by those with vested interest to land grab the lands (Map of the Nu Zealand before or after the 1846 British New Zealand Constitution).

These virtual evil attempts had been done through demoralizing the validity of the 1840 Treaty of Waitangi no end date contract Fraud Agreement; destroying its authenticity; but with the main objective paramount to anyone else to land grab the land buy cheap sell high under the New Zealand Crown Governments hectares of land foreshore and seabed Prime Lots within the economic zone and the metropolis;

And other prime lots in the country and the whole country, the extreme possibility by those oligarch-land grabbers-real estate developers, which are under sustenance of the national government, through Decrees, Executive Orders, Letter of Instruction and Proclamations beyond which would be the heavier hammer to the head of the entire New Zealand Citizens which may happen in the near future under the issue of sovereignty in spite of the fact that no other true Title had been issued for the entire country as yet we have that motion clearly stated herein to seize back to the people.

This Honorable Moai Crown Kings Bench Court has commanded at this point in time the Auckland Native Magistrate Court Sheriff, John Wanoa Moai Crown takes this Order on February 25th, 2019 enforce this Property Seizure Arrest Warrant Defaulted Private Contract Agreement to recover, take in physical possession of 77 Cook Street land Property and business assets entirely to defray the cost of a bad land title deed and land transfer bank instruments conveyancing fraud.
