11 30 am

I expect Tamati Ried Taumata and Uetaha Hapu of Potikirua Ki Waiapu area, Rangitukia and also to Sue Nikora Kuia of Uepohatu Hapu work she did in the United Nations and what she has done for her fight to get our lands back from the "Crown" Corporation here in John Key Government fraud administrators occupying our lands illegally. She speaks about Busby Mokopuna and cites statements

Off the record book she is holding in her hands about Ngati Hine Hapu as being beholding to Nga Puhī Chiefs DOI Flag origins of the Confederation. Hohepa Epiha better acknowledges the 1835 Declaration of Independence Flag Authority from under the Pohutukawa tree at Te Ngaer over the hill from Matauri Bay where Busby made this Flag of King William IV History. He now wants recorded in

The Geographic Maps had meetings with the Department of Conservation DOC. To include the Flag and meeting of all Chiefs under this Tree on the river side by the sea where all the waka (Canoe) came in and stayed in the paddock here marked in History of Aotearoa Beginning of Pakeha settlements in the area of Bay of Islands in a signed agreement between Busby for British UK Government and Moai Hapu Native Chiefs. There wasn't Maori (Pakeha Iwi Tribe invented) at that time 1835 to 1945 but Moai Native Tahitian People

Taumata Kaumatua Hohepa Epiha will make the official trademark of Nga Puhī "Haumea Hueae Tahiki E" to signal approval from the other Taumata Assembled in Congress to raise the Moai Hapu Sovereign Chiefs DOI Flag on the Navy Ship of Admiralty Flag Pole opposite the NZ Government Treaty Grounds Marae what was just spoken about and agreed to and that it would take 12 months to deal with issues, starts with TPPA, Global Warming, Raising the Confederation Flag, the Maori Land Cour, Sacking John Key Government.

Rather than talk about Tribunal Hearings, deal with Kawanatanga (NZ Government) Governor General and Prime Minister John Key immediately after the Upper House of Parliament is open for Business on 4/2/2016 with DOI flag raised on Treaty Ground Pole 12am

12 00 noon
