English Version corrupted by Missionaries the same by Manuka Henare = (Henry) (Maori) in 2022

Declaration of Independence of New Zealand formed King William IV 1835 Flag Constitution

1. We, the **hereditary chiefs** and heads of the tribes of the Northern parts of New Zealand, being assembled at Waitangi, in the Bay of Islands, on this **28th day of October, 1835, declare the Independence of our country, which is hereby constituted** and declared to be an **Independent State**, under the designation of The United Tribes of New Zealand.

2. **All sovereign power and authority** within the territories of the United Tribes of New Zealand is hereby declared to **reside entirely and exclusively** in the **hereditary chiefs** and heads of tribes in their collective capacity, who also declare that they **will not permit any legislative authority separate from themselves in their collective capacity to exist**, nor any function of government to be exercised within the said territories, unless by persons appointed by them, and acting under the authority of laws regularly enacted by them in Congress assembled.

3. The hereditary **chiefs and heads of tribes** agree to meet in Congress at Waitangi in the autumn of each year, for the **purpose of framing laws** for the **dispensation of justice**, the preservation of peace and good order, and the **regulation of trade**; and they cordially invite the Southern tribes to lay aside their private animosities and to consult the safety and welfare of our common country, by joining the **Confederation** of the United Tribes.

4. They also agree to send a copy of this Declaration to His Majesty, the King of England, to thank him for **his acknowledgement of their flag**; and in return for the friendship and **protection** they have shown, and are prepared to show, to such of his subjects as have settled in their country, or resorted

to its shores for the purposes of trade, they entreat that he will continue to be the parent of their infant State, and that he will become its Protector from all attempts upon its independence.

Agreed to unanimously on this 28 day of October, 1835, in the presence of His Britannic Majesty's Resident.

(Here follows the signatures or marks of thirty-five Hereditary chiefs or Heads of tribes, which form a fair representation of the tribes of New Zealand from the North Cape to the latitude of the River Thames.)

English witnesses:

(Signed) Henry Williams, Missionary, C.M.S.
George Clarke, C.M.S.
James R. Clendon, Merchant.
Gilbert Mair, Merchant.

I certify that the above is a correct copy of the Declaration of the Chiefs, according to the translation of Missionaries who have resided ten years and upwards in the country; and it is transmitted to His Most Gracious Majesty the King of England, at the unanimous request of the chiefs.

(Signed) JAMES BUSBY, British Resident at New Zealand.

A judgment from a court that did not have subject-matter jurisdiction is forever a nullity.[2][3] To decide a case, a court must have a combination of subject (subjectam) and either personal (personam) or territorial (locum) jurisdiction.

Subject-matter jurisdiction, personal or territorial jurisdiction, and adequate notice are the three most fundamental constitutional requirements for a valid judgment.

https://en.wikipedia.org/wiki/Subject-matter_jurisdiction

The New Zealand COURT JUDGES ARE PARASITIC JURISDICTION sucks off the Original JURISDICTION of a SOVEREIGN Power of WHAKAPAPA od RECORD of HISTORIC EVENTS and SUBSTANCE PROOF OF CLAIMS or NATIVE LAND TITLE Origins or KINGS Originators of the BRITISH LAW-MAKING AUTHORITY INHERITED RECORD

14/ THE PIRATE GOVERNMENT OF NEW ZEALAND IS FLOUNDERING ON THE ROCKS MAKING MISTAKES BECAUSE THEY BREAKING KING LAW

NOTE! Inherent jurisdiction denotes the substantive, non-statutory authority to take matters and determine them. Only the High Court, as a court of general jurisdiction, exercises the inherent jurisdiction that was inherited from the superior courts in England.

Inherent powers arise incidentally to the exercise of jurisdiction and enable courts to function and protect their character as courts of justice. Their exercise is entirely parasitic and cannot found jurisdiction where there is none.

Any lacuna in the jurisdiction of either court ought to be squarely confronted. Careful amendment to the Supreme Court Act 2004 and the Judicature Act 1908 should be made to authorise these courts to set aside their 'null' decisions and to correct injustices.

SO TO SUM IT UP THERE ARE PROBLEMS IN THE NEW ZEALAND COURTS SYSTEM OF NO ENTRENCHED CONSTITUTION TO MATCH OUR KING WILLIAM IV 1835 FLAG ENTRENCHED CONSTITUTION KING SEALED FLAG SEALED ONE PAGE DOCUMENT

For example, the Supreme Court of the United Kingdom is deemed by its founding statute to be “a superior court of record”,

Criminal trial held in the absence of the defendant

In both the magistrates' court and the Crown Court, proceeding with a trial in the absence of the defendant is a last resort and is one which the courts will try to avoid unless necessary. In R v Jones, the House of Lords held that the decision to hold a trial in the absence of a defendant must:
