Dear

I succeeded Paramount Chief Mohi Te Maati Manukau IV as the long Standing President of the 1985 Confederation of Chiefs Organization to the British Crown holding UK Navy Partnership Contract with Ben Key, Ben Wallace and Tony Radikin British Navy Board through King William IV Dry Land Flag of Admiralty Jurisdiction and holding the British Crown Legal Native Land Title to New Zealand. I need your help with the Military to assist us stop our Country being taken over by a UN WEF EU NZ USA Private Foreign Corporation Company while we the Native Chiefs of the United Tribes of the World have been flying our Contract flag since 11 March 1834 when King William IV gave this Flag to our Paramount Chiefs to protect our Trade Country Business with Britain binding Contract with 10 of us here Notified

I am now complaining to the British Government that the NZ Government here is colluding with the United Nations to usurp our 1834 King William IV Founding Flag of New Zealand and British Sovereign Nation Country with our Descendant Native Chiefs Confederation Flag the Unconstitutional Government is calling our British Kings Flag a Whakaputanga Flag for their NZ Private Corporation Maori Invented Patented IWI Tribe who don't have the original British Native Land Title we the original Native Surname Indigenous Hapu Chiefs have are the Lessee Landlords. The Government has failed to respond to our Official King Sealed Documents and Public Notice Letters which I e mail UK Officials illegal War Powers Act abuse against us when there is No War here but a Serious Threat of NZ Government Forcing 29 Legislation Acts through Parliament through December January and February hoping to Enforce them Illegally to subject us to another emergency Lockdown Disruption of our Lives takeover through Political Tampering of UK Courts "Reciprocal Enforcement of Judgments Act 1934" Laws through Legislations to lock us up indoors while they will soon use UN Military to overpower us the Original NZ Natives Born on these Lands and take over our country with our own Entrenched British 1835 King William IV Federal Constitution Contract Flag they are flying in NZ Government Buildings as a Counterfeit "Whakaputanga Flag" because they have no legal Inheritance Inherent Jurisdiction Flag links to Britain! I tell you there is no such tribe as "Maori" registered on the New Zealand Land CT Titles in Glasgow 1862 Queen Victoria Contract Registered with "Paramount Chief Rewharewha Manukau" and his ancestors Native Land Title Owner "Paramount Chief Tira Waikato Whareherehere Manukau" Contract with King George IV in 1823 fixed in Edinburgh Scotland Land Registry with Freemasons main office there! I hope you Debt Collectors believe my Truths in these matters of Serious Consequences of our Our Flag Constitution Law Jurisdiction against named Photo ID Government Corporations Pirates as Guilty Judgment Debtors

The New Zealand Government and Parliament has no King or Queen Authority Seal of Westminster Parliament or British Kings Flag Contract Seal except us the Legal Native Confederation of Chiefs Founding of New Zealand Flag Sovereigns of our British Native Land Titles. I want you to talk to me the Chiefs appointed legal Surrogate King William III King George III King George IV King William IV and King Earnest Augustus V Regent in waiting Dutch Protestant Bloodlines Spokesman as you can see the Whakaputanga Flag has no Legal in it but to say our Confederation Flag has unfettered unrefuted legal Authority to use in our Businesses long-term here and in the 4 corners of the World with our Kings Flag

I notified the British Secretary of State Defence Mr Ben Wallace and House of Lords Ben Wallace in Westminster Parliament as our Legal Partners with our Admiralty King William IV Flag entrenched and

fixed in Statute Law Westminster Parliament forever more can't be over taken by UN NZ Constitution or Foreign Government as the WEF Control World Parliaments like ours are facing UK and us Landowners Please this is an emergency situation when the NZ Government Foreign Corporation has stolen our flag and taking it to the United Nations and America as Fake Illegal "Maori-Pakeha Owners of New Zealand" against our Native Born NZ People Contract with us and Britain as the Legal Legitimate Landowners that the Moai Crown Court prosecuted these Pirates on the High Seas of Admiralty in our Native Magistrate Kings Bench Court and Flag of Britain is the real urgency to this matter we need any the Debt Recovery CONTRACTOR to Seize our Country back into British Native Land Title and Control it with us the UK NZ legal New Zealand Business Partners UK help us suspend NZ Parliament Political Takeover Control and High Treason, put the British Navy and Military in charge of administering our country till we sort through it with the assistance of the British Royal Navy Military to come here and paid for with our "Moai Crown Pound Note Person in-personam Debtor and Land Collateral Instrument" while I can work with UK as a Native Chiefs Traditional History to this Country, has NZ Contemporary fake History NZ Crown Titles.

I invite you as a contractor to be one of our Debt Collector Agents since no one is capable of using these Moai Crown Court TM (C) Writ of Execution Arrest Warrant Documents written by me only for approved NZ Native Magistrate Kings Bench Court Debt Collectors with Orders and Bench Execution Warrants to represent our Kings Flag Partner in Business British Chief of Defence Staff Admiral Sir Tony Radakin and Admiral First Sea-lord Ben Key and UK Secretary of State Defence Ben Wallace British Lords Navy Board to send a delegation here as soon as possible before February to June 2023 when NZ Crown Law Government completes 29 remaining Legislations to bring the UN Forces here to take control over us and our Country where their EU WEF Leader Klaus Schwab says we will own nothing and be happy is not what we want now shall Enforce our Kings Court Orders Property Execution Writ of Control Arrest Warrants to seize our country off the Pirates New Zealand Private Corporations immediately considers this Tender List for any Contract your happy with in the first instance with my two men in attendance as witnesses to act on these Legal Instruments for all Native Sovereign Born People of the Land equally to legally set up the British Military Legally protect us with our British Kings Flag and Britain's Control over our Country and not United Nations Control under WEF and NWO UN EU Interests using UNDRIP He Puapua – and He Whakaputanga Counterfeit Flag New Zealand "Maori and Pakeha" Co Governance Radical Divisive Bad Racial System outlined here as a Takeover of our Native British Land Titles and King William 1834 Flag as Treason Private Corporation not for the Dutch Protestant Kings People of New Zealand Contracts with our own Employee Debt Collectors main Head Lessee holder owner of UK British Native Land Titles of New Zealand Country because no one challenged the Manukau Land Titles Transfer from NZ to UK Crown that created Law that created these Contracts. I have enforced British Law and New Zealand Crimes Acts 1961 Mirrored NZ High Court Hearing THE KING Versus Chinese Businessmen caught giving money illegally to Jamie Lee Ross National Party Voter Fraud Donations on these 5 people I used as a Mirror Image Copy Court Case I John Prosecuted "THE KING" Crown of New Zealand Criminals as the Judge in our Court Legally against New Zealand Government Crown Agents

I hold the Key here as far as American Lecturer and Political Law Professor David Straight states here <https://www.bitchute.com/video/UIW1JRrQySYB/> said that I hold the Keys to the Gold and NZ Crown Assets is our UK NZ Joint Debt Recovery Business against these Criminal Organizations you and your Contractor Law team with me the Court Banker Prosecutor and Native Land Assessor Judge Native Legal Advocate Attorney General with our British Confederation Flag King Jurisdiction Affidavit Legal Authority that no one has refuted 37 Zoom Live Video Affidavit Court Hearings and 37 Bound Book Affidavits I send you in 676 pages none of which has been refuted **created our Law of Contract and these Contracts created Law** in their Silence Acquiescence and I can provide you with all that Legal Information back to 6 December 2015 when I should have taken Possession of Cook Street and the means to use the **Moai Crown Court Pound Note to liquidate all Native Land** Criminal Organization Business of NZ Crown Agents for Financial Investment Interests and Economic Benefit for Britain NZ running into Trillions of Pounds to pay the New Zealand and British Royal Navy Military and NZ Police to seize our Country back into British Native Land Title Ownership.
